

Baugeologisches Büro Bauer GmbH

Domagkstr. 1a; 80807 München

How to find us

Our office is located at Domagkstr. 1a, driving north from Munich city centre you'll find it on the right side, near the Frankfurter Ring. The office building is right at the corner of Leopoldstr./Ingolstädter Str. and Domagkstraße, there also is an underground parking lot.

Going by car:

Via BAB A9 (Munich Airport) You can either:

- take exit "Frankfurter Ring" and follow Frankfurter Ring, keep to the right, avoid getting on the Bridge, that leads across "Ingolstädter Straße". Turn left onto "Ingolstädter Straße" and keep going towards the city center. Look out for a "Jet" Gas Station to the left, change to left lane and turn on "Domagkstraße".

or

- follow the highway to it's end, exit „Zentrum“ (turn right and keep right, don't drive into the tunnel). At the next crossroads turn right on Leopoldstraße and follow north for a few hundred meters until "Domagkstraße", turn right. The office building is now right across the street, to Your left..

Look out for access to the underground parking lot

Going by public transport:

- from Hauptbahnhof: take the U-Bahn U2 to Scheidplatz, change here and take StadtBus 140 (Direction Kieferngarten). Exit at "Domagkstraße West" near the office building.

- from the airport take the S-Bahn S8 to Marienplatz/City Center and exit at Station Johanneskirchen. Change for MetroBus 50 (to Olympia-Einkaufszentrum) and exit at "Domagkstraße West" near the office building.
